

Vision

Clark Land will improve the quality of life in our communities by being the cornerstone of outstanding ethics and performance in the Right of Way industry.

Mission

To acquire, protect, and manage land rights for public and private entities with integrity and respect toward all stakeholders.

Values

- **Honest:** We are trustworthy and act in good faith. Always.
- **Humble:** We value and serve others with kindness, patience, and compassion.
- **Passionate:** We are committed and prepared to grow, learn, and do our best.
- **Positive:** We focus on the good. We are constructive, optimistic, and confident.
- **Loyal:** We have a firm allegiance to our company, our coworkers, our clients, and our communities.
